

## **Travel Policy**

Council agreed that where public transport is an option then the cheaper option of car or public transport will be the rate paid for staff and councillors.

Council agreed that the rate for Staff will be the recommended rate as part of the National Pay Rates.

Council agreed that for Councillors a Subsistence Allowance to be paid against receipts at the current Stroud District Council rates for all meetings of the Council, its Committees and Working Groups, plus attendance at other meetings as agreed at Council or Committee meetings.

Council agreed that the Councillors mileage rate should be the same as that agreed by HMRC after which tax is payable. This is currently 45p per mile.
